

BBM Baby (Demo)

Lana Del Rey

(Verse 1) (2x)

I be BBM'in you

Telling you

All the things I'm gonna do to you

When you get home babe

Makin love then yelling ooh

Nothin I would rather do

Then flirt and talkin dirty, you

Love me, hate me(Pre-Chorus)

It's like it's your job to work me up

Treatin me nice, and then treatin me rough

And I don't know why, but I can't get enough

I like it, I like it

And I know that I'm making you nuts

Middle of the night and when I'm waking up

I don't know why, but you can't get enough

You like it, you like it

(Chorus)

Be my BBM baby

Middle of the night, waking up to ride

Be my BBM baby

I don't wanna fight, you're the one I like

Yeah yeah, always on my mind

Yeah yeah, when will you be mine(Verse 2)

I be BBM'in you

Lettin you love me, in your letters

You're the way, that you write is crazy

You're typing this poetical

Red roses in your message oh

I think I met my match in, you

Text me, chase me(Pre-Chorus)

It's like it's your job to work me up

Treatin me nice, and then treatin me rough

And I don't know why, but I can't get enough

I like it, I like it

He signs XO, hugs, hey

I know it's true love cause my heart goes yay(Chorus)

Be my BBM baby

Middle of the night, waking up to ride

Be my BBM baby
I don't wanna fight, you're the one I like
Yeah yeah, you're always on my mind
Yeah yeah, when will you be mine(Verse 3)
He signs XO, hugs, hey
I know it's true love cause my heart goes yay
He signs xx, kiss, babe
I know it's true love cause my heart goes yay
He signs xx, kiss, babe
I don't wanna fight
In the middle of the night
Boy you got me crazed
In the middle of the night
He writes that he's outside
I left my window open baby
You can come inside
Call me when you get here
I'll be ready boy
Cause I heart you, you're the one that I adore(Chorus)
So won't you be my BBM baby
Middle of the night, wakin up to ride
So won't you be my BBM baby
I don't wanna fight, you're the one I like
Be my BBM baby
Middle of the night, wakin up to ride
Oh won't you be my BBM baby
I don't wanna fight, you're the one I like
Yeah yeah, you're always on my mind
Yeah yeah, when will you be mine
Yeah yeah, you're always on my mind
Yeah yeah, when will you be mine
