Be Brave

Poor Edward

I am a bird in water
A whale on sand
I am the flood, the fire, the oil spill
I am feeling scared and I am overwhelmed
And so I don my mask and finger bells
Sh-sh-sh Shara, now get to work
Sh-sh-sh-sh-sh Shara this is going to hurt
Be brave, dear one
Be changed or be undone
Be brave, dear one
Be changed or be undone
Undone
I am a slave, I'm under house arrest
I am the beater, I am beaten for less
Then being punk and feeling anger swell
And so I don my beaded dress and finger bells
Sh-sh-sh Shara, now get to work
Sh-sh-sh-sh-sh Shara this is going to hurt
Be brave, dear one
Be changed or be undone
Be brave, dear one

Be changed or be undone
It's so hard, it's so heavy
To be hungry, to be happy
It's so light, it's so easy just to be
It's so hard, it's so heavy
To be hungry, to be happy
It's so light, it's so easy just to be
Oh God, what would you do with me?
God, what's my responsibility?
God, what would you do with me?
Oh God, what's my responsibility?
Sh-sh-sh Shara, now get to work
Sh-sh-sh-sh-sh Shara this is going to hurt
Be brave, dear one
Be changed or be undone
Be brave, dear one
Be changed or be undone

Now be brave, dear one
Be changed, be undone
Be brave, dear one
Be changed, be changed, be changed
Changed
