First Kiss

Dave Days

Deep in your heart There's a small hidden room And you know that I hold the key You're gonna travel all over the world Places where I'll never be Someday you'll marry the man of your dreams And I will be crying all night But there is a secret that both of us know That's why I'm feeling alright Yes, there is a secret that both of us know And that's why I'm feeling alright There may be smart guys and tall guys Whose stronger than me Ten times the charmer than I'll ever be But one thing, Maria, I sure didn't miss Your very first kiss Need I say more? The feeling is pure And I felt the warmth of your lips Though the time will go on And the seasons will change I'll always think back on our kiss Someday the runway will carry you home And I will be smiling all night 'Cause there is a secret that both of us know

And that's why I'm feeling alright
Yes, there is a secret that both of us know
That secret belong in the night
There may be sharp girls and short girls
Whose sweeter than you
Ten times the lady and one of a few
But one thing, Maria, you sure didn't miss
My very first kiss
Deep in my mind there's confusion and hope
And I know that you stole my thoughts
I'm gonna travel all over the world
Searching for someone to hold
Don't say it's over when I'm underneath
Let's see if our feelings unite

Oh, there is a secret that both of us know
And that's why we're smiling tonight
Yes, there is a secret that both of us know
And that's why we're smiling tonight
There may be someone who truly believes
Love is blind
But I beg to differ there's two of a kind
They will find each other and that is a real bliss
Our very first kiss
