

Josie

Steely Dan

We're gonna break out the hats and hooters
 When Josie comes home
We're gonna rev up the motor scooters
 When Josie comes home to stay
 We're gonna park in the street
 Sleep on the beach and make it
Throw down the jam till the girls say when
 Lay down the law and break it
 When Josie comes home
 When Josie comes home, so good
She's the pride of the neighborhood
She's the raw flame, the live wire
 She prays like a Roman
 With her eyes on fire
Jo would you love to scrapple
 She'll never say no, no
 Shine up the battle apple

We'll shake 'em all down tonight
 We're gonna mix in the street
 Strike at the stroke of midnight
Dance on the bones till the girls say when
 Pick up what's left by daylight
 When Josie comes home
 When Josie comes home, so bad
She's the best friend we ever had
She's the raw flame, the live wire
 She prays like a Roman
 With her eyes on fire
When Josie comes home, so good
She's the pride of the neighborhood
She's the raw flame, the live wire
 She prays like a Roman
 With her eyes on fire
