

# Landed

Ben Folds

We'd hit the bottom  
I thought it was my fault  
And in a way I guess it was  
I'm just now finding out what it was all about  
We'd moved to the west coast  
Away from everyone  
She never told me that you called  
Back when I was still, I was still in love  
'Till I opened my eyes and walked out the door  
And the clouds came tumbling down  
And it's bye-bye, goodbye, I tried  
And I twisted it wrong just to make it right  
Had to leave myself behind  
And I've been flying high all night  
So come pick me up, I've landed  
The daily dramas  
She made from nothing  
So nothing ever made it right  
She liked to push me  
And talk me back down  
'Til I believed I was the crazy one  
And in a way I guess I was  
While I opened my eyes and walked out the door

And the clouds came tumbling down  
And it's bye-bye, goodbye, I tried  
Dragging the sea of a trouble mind  
Had to leave myself behind  
Singing bye bye, goodbye, I tried  
If you wrote me off, I'd understand it  
'Cause I've been on some other planet  
So come pick me up  
I've landed  
And you will be so  
Happy to know  
I've come alone  
It's over  
While I opened my eyes and walked out the door  
And the clouds came tumbling down

And it's bye-bye, goodbye, I tried  
Down comes the reign of the telephone czar  
It's okay to call  
And I will answer for myself  
Come pick me up  
Come pick me up  
I've landed
