

Passcode (feat. P Lo)

DOM KENNEDY

[Intro]

Aye

Aye

Yeah, yeah yeah yeah

Aye aye

She always trying to know my passcode (uh)

Steady trippin on my last hoe (uhh)

Why you wanna go and do all that

Why you wanna go and do all that

She always trying to know my passcode (aye)

Think I'm fucking with my last hoe (aye aye aye)

Why you wanna go and do all that

Why you wanna go and do all that

All the boys make you cry and you end up by yourself

Lonely and miserable just like everybody else

If you listen long enough you can hear the ring coming

Type of FICO score that could make a great husband

I be in the bay with the HBKs stuntin'

Trying to come up a few mill right quick

We the only ones that keep it real like this

I said whats been going on you been acting real strange

Went through my cell phone there ain't much to explain

Black Superman thought you was Lois Lane

But now, I don't even look at you like that

When she call, I'm Like imma hit you right back

She always trying to know my passcode

Steady trippin on my last hoe (uhh)

Why you wanna go and do all that (aye)

Why you wanna go and do all that

She always trying to know my passcode (aye)

Think I'm fucking with my last hoe (aye aye aye)

Why you wanna go and do all that

Why you wanna go and do all that She a pimp by blood, not relation

Maybe DM some then replace them

So miss all that, tell me how you buy all that

When you was all at the table frowned up at PF Changs

I was hoping something was up with your Lo-mein

Whats going on you been acting kinda strange

I'm starting to get that same old feeling back in my brain

Saying I ain't do enough
There's not much time these days for the two of us
Plus you think I'm out here living like Lucifer
I ain't gonna say no names [Chorus: P-Lo] X2
She always trying to know my passcode (aye)
Steady trippin on my last hoe (aye aye aye)
Why you wanna go and do all that
Why you wanna go and do all that
She always trying to know my passcode (aye)
Think I'm fucking with my last hoe (aye aye aye)
Why you wanna go and do all that
Why you wanna go and do all that Yeah, yeah yeah yeah
Aye aye
She always trying to know my passcode (uh)
Steady trippin on my last hoe (uhh)
Why you wanna go and do all that
Why you wanna go and do all that
She always trying to know my passcode (aye)
Think I'm fucking with my last hoe (aye aye aye)
Why you wanna go and do all that
Why you wanna go and do all that
