

# Cadence Of Her Last Breath (Instrumental)

## Nightwish

Running for her life  
The dark rain from her eyes still falls  
Breathtaking butterfly  
Chose a dark day to liveSave one breath for meA Loner longing for  
The cadence of her last breathWhy do I miss someone  
I never met, with bated breath I lay  
Seawinds brought her to me  
A butterfly, mere one-day miracle of life  
And all the poetry in the world  
Finally makes sense to meSave one death for meA Loner longing for  
The cadence of her last breathPut to rest all that's not life  
Drink for beauty and fill my blank pageSometimes a dream turns into a dreamA Loner longing for  
The cadence of her last breath
