Jimmy Eat World

Didn't mean to leave you hanging on
I didn't mean to leave you all alone
I didn't know what to say
I didn't know what to say Didn't mean to leave you hanging on
I didn't mean to leave you all alone
I didn't know what to say
Didn't know what to say Merry Christmas, baby
(Merry Christmas, baby)
Merry Christmas, baby
(Merry Christmas, baby)
Merry Christmas, baby
(Merry Christmas, baby)
Merry Christmas
