Go The Distance (Pinoy Powered Station)

Michael Bolton

I have often dreamed of a far off place

Where a hero's welcome would be waiting for me

Where the crowds would cheer, when they see my face

And a voice keeps saying this is where I'm meant to beI'll be there someday, I can go the distance

I will find my way if I can be strong

I know every mile would be worth my while

When I go the distance, I'll be right where I belongDown an unknown road to embrace my fate

Though that road may wander, it will lead me to you

And a thousand years would be worth the wait

It might take a lifetime but somehow I'll see it throughAnd I won't look back, I can go the distance

And I'll stay on track, no I won't accept defeat

It's an uphill slope

But I won't loose hope, 'till I go the distance

And my journey is complete, oh yeahBut to look beyond the glory is the hardest part

For a hero's strength is measured by his heart, ohLike a shooting star, I will go the distance

I will search the world, I will face its harms

I don't care how far, I can go the distance

'Till I find my hero's welcome waiting in your armsI will search the world, I will face its harms

'Till I find my hero's welcome waiting in your arms
