

In My Time of Need

[Ryan Adams](#)

Will you comfort me, in my time of need?
Can you take away the pain of a hurtful deeds?
'Cause when we need it most, theres no rain at all
And the dust just settles right there on the feed Will you say to me little rains gonna come
When the sky cant offer none to me
'Cause I will come for you, when my days are through
And Ill let your smile just off and carry me 'Cause when the calm comes down, I take the truck on into town
And buy whatever we cant seem to grow
I work these hands to bleed 'cause I got mouths to feed
And I got fifteen dollars hid above the stove Will you say to me little rains gonna come
When the sky cant offer none to me
'Cause I will come for you, when my days are through
And Ill let your smile just off and carry me 'Cause it aint like it was on back in those days
When everyone would offer up a hand
These old bones are worn, Ive grown tiresome
And I know my time is surely gonna come Will you comfort me in my time of need?
Can you take away the pain of hurtful deeds?
'Cause I will comfort you when my days are through
And Ill let your smile just off and carry me Lord we married young and stayed where we came from
Gave those children everything we had
Will you stay with me, in my time of need?
Though it seems we had such little time for us Will you say to me little rains gonna come
When the sky cant offer none to me
'Cause I will come for you, when my days are through
And Ill let your smile just off and carry me
