

# Family Man (Rock Mix) [Bonus Track]

## Daryl Hall & John Oates

She had sulky smile  
She took her standard pose as she presented herself  
She had sultry eyes  
She made it perfectly plain that she was his for a price  
But he said, leave me alone, I'm a family man  
And my bark is much worse than my bite  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
She wore hurt surprise  
As she rechecked her make up to protect herself  
Dropped her price and pride  
She made it totally clear that she was his for a night  
But he said, leave me alone, I'm a family man  
And my bark is much worse than my bite  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
She gave him her look  
It would have worked on any other man around  
He looked her up and down  
She knew he couldn't decide if he should hold his ground  
But he said, leave me alone, I'm a family man  
And my bark is much worse than my bite  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
She turned, tossed her head  
Unlike her opening move, her final exit line  
He waited much too long  
But by the time he got his courage up she was gone  
And he screamed, leave me alone, I'm a family man  
And my bark is much worse than my bite  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
He said, leave me alone, I'm a family man  
And I don't think I want you tonight  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
He said, leave me alone, I'm a family man  
And my bark is much worse than my bite  
He said, leave me alone, I'm a family man  
If you push me too far I just might  
He said, leave me alone, I'm a family man  
Don't leave me alone 'cause I got to go hungry
