Painted On My Heart

Cosima De Vito

I thought you'd be out of my mind
And I'd finally found a way
To learn to live without you
I thought it was just a matter of time
Till I had a hundred reasons
Not to think about you, but it's just not so
After all this time I still can't let go
[Chorus:]I've still got your face painted on my heard
Drawn upon my soul
Etched upon my memory, baby
And I've got your kiss still burning on my lips
Your touch on my fingertips
This love so deep inside of me baby

I've tried everything that I can
To get my heart to forget you
But it just can't seem to
Guess it's just no use
In every part of me there's still a part of you
[Chorus]Something in your eyes keeps haunting me
And I try to escape you
And I know there's just no way to
No way to chase you from my mind
[Chorus]
