

Spiritual Makeover (feat. Nakitta Clegg-Foxx)

Kurt Carr & Kurt Carr Singers

Makeover
Makeover
A spiritual Makeover
And it was extreme
Ooo extreme1:
I've heard it said that everything in life everything must change
Nothing stays the same
And I thank god everyday this applies to me
You see my mama taught me to live gods way
but I decided to do it my way
but I messed up my life and drifted to an ugly place
2:
but I thank god I came to myself and I went to the altar
And I got there I repented and I asked god to take my worldly desires away
and right then and right there god answered a sinners prayer
And now its hard to believe that old raggedy person was me
For you see. . .I've had an extreme complete life changing encounter
Makeover
