

# Whatever (Encore Et Encore)

## Ocean Drive

Whatever you want  
Whatever you need  
You can call me ever  
Is that you want  
You can call on me  
That is what I call a friend  
Friend friend friend  
Câ€™est de plus en plus fort  
Encore and encore  
Câ€™est de plus en plus fort  
Encore and encore  
Whatever you want  
Whatever you need  
You can call me ever  
Is that you want  
You can call on me  
That is what I call a friend  
Câ€™est de plus en plus fort  
Encore and encore  
Câ€™est de plus en plus fort  
Encore and encore

Whatever you want  
Whatever you need  
You can call me ever  
Is that you want  
You can call on me  
That is what I call a friend  
Câ€™est de plus en plus fort  
Encore and encore  
Câ€™est de plus en plus fort  
Encore and encore  
Whatever you want  
Whatever you need  
You can call me ever  
Is that you want  
You can call on me  
That is what I call a friend  
Câ€™est de plus en plus fort

Encore and encore  
C'est de plus en plus fort  
Encore and encore
