This Far

Aaron McDonnell

well i woke up to a ragin' fire inside my head
wishin' i could stay all day a-lyin' in this bed
as last night pours itself into tomorrowâ€™s cup
the smell of whiskey just reminds that my time is almost up

and iâ€™m bettin' on that 10-1
and iâ€™m bettin' on that lucky shot
iâ€™m hopin' that youâ€™ll see past the man that i am not
my moneyâ€™s ridin' on the chance
that our loveâ€™s that lucky star
but 'why not' i ask you girl
because itâ€™s gotten us this far

cuz sometimes it seems like itâ€™s us against the world
and iâ€™m lookin' in the deep blue, for a long lost pearl
as the daylightâ€™s slippin' into night i...see the colors of the sky
and i know another day will come if we will only try

and iâ€™m betting on that 10-1
and iâ€™m betting on that lucky shot
and iâ€™m hoping that youâ€™ll see past the man that i am not
my moneyâ€™s riding on the chance
that our loveâ€™s that lucky star
but why not i ask you girl
because itâ€™s gotten us this far

the reason it happened donâ€™t matter anymore
and the love at first sight ,sometimes sees us to the door
but iâ€™m stayin' even if, you donâ€™t want me here no more
because iâ€™m your lovin' man, yes iâ€™m your dark horse

cuz iâ€™m betting on that 10-1
and iâ€™m betting on that lucky shot
and iâ€™m hoping that youâ€™ll see past the man that i am not
my moneyâ€™s riding on the chance
that our loveâ€™s that lucky star
but why not i ask you girl
because itâ€™s gotten us this far
