

# True Colours

## Kasey Chambers

You with the sad eyes  
Don't be discouraged  
    Oh I realize  
    It's hard to take courage  
    In a world full of people  
    You can lose sight of it  
    of the darkness inside you  
Makes you feel so smallBut I see your true colors  
    Shining through  
    I see your true colors  
    And that's why I love you  
    So don't be afraid to let them show  
        Your true colors  
        True colors are beautiful,  
    Like a rainbowShow me your smile then,  
    Don't be unhappy, can't remember when,  
        I last saw you laughing  
        If this world makes you crazy  
        And you've taken all you can bear  
        You call me up  
Because you know I'll be thereAnd I'll see your true colors  
    Shining through  
    I see your true colors  
    And that's why I love you  
    So don't be afraid to let them show your,  
        True colors  
        True colors  
are beautiful like a rainbowIf this world makes you crazy  
    And you've taken all you can bear  
        Just call me up  
Because you know I'll be thereAnd I'll see your true colors  
    Shining through  
    I see your true colors  
    And that's why I love you  
    So don't be afraid to let them show your,  
        True colors  
        True colors  
are beautiful like a rainbow
