# Knock Knock

## Lenka

A second, a minute, an hour, a day goes by
I'm hopin' just to be by your side
I'm turnin' the handle, it won't open
Don't make me wait 'cause right now I need your smile
Knock, knockWhen life had locked me out I turned to you
So open the door
'Cause you're all I need right now, it's true
Nothin' works like youLittle louder, little louder
Little louder knockin'
Little louder, little louderA warm bath, a good laugh, an old song that you know by heart
I've tried it but they all leave me cold
So now I'm here waitin' to see you
My remedy for all that's been hurtin' me
Knock, knockWhen life had locked me out I turned to you
So open the door
'Cause you're all I need right now, it's true
Nothin' works like youYou seem to know the way
To turn my frown upside down
You always know what to say
To make me feel like everything's okayLittle louder, little louder
Little louder knockin'
Little louder, little louder
Little louder knockin'Little louder, little louder
Little louder knockin'
Little louder, little louderWhen life had locked me out I turned to you
And you open the door
And you're all I need right now, it's true
Nothin' works like youWhen life had knocked me down I turned to you
And you open the door
And you're all I need right now, it's true
Nothin' works like you
Nothin' works like youWhen life had locked me out I turned to you
And you open the door
And you're all I need right now, it's true
Nothin' works like you
