

# It's No Use

## The Byrds

It's no use use saying  
Your gonna stay  
If you don't want to be all mine  
I haven't got room  
For somebody who  
It's gonna hurt me all the time Somebody who couldn't see  
All the love I was trying to give It's no use saying  
Your gonna stay  
If you don't want our love to live It's no use keeping  
You around  
If you don't want me all the way  
There's somebody new  
Who can be found  
And I'll find her someday And she will be everything  
All the love she has  
She'll want to give It's no use saying  
Your gonna stay  
If you don't want our love to live Oh I should be good to you  
But I can't 'cause before  
I was really true to you  
But you only hurt me more It's no use use saying  
Your gonna stay  
If you don't want to be all mine  
I haven't got room  
For somebody who  
It's gonna hurt me all the time Somebody who couldn't see  
All the love I was trying to give  
It's no use saying  
Your gonna stay  
If you don't want our love to live
