

# Get Shaky

[Ian Carey](#)

ell you like it is with a kiss,rnBaby when it drips from your lips.rnTell you like it is it's like this,rnDon't be such  
a slave to your brother.rn rnBaby get shaky after school,rnOooh ooh there you ooh there you baby go crazy  
break the rules,rnOooh ooh there you ooh there you go go go go go go ohoh there you go!rnTell you like it is  
with a kiss,rnI can see the swing of your hips.rnTell you like it is it's like this,rnWaiting for a trick from your  
brother,rnYou can say what you want but you saw just the doorn rnGet out of herern rnYou can say but you  
don't such a shame little girlrn rnGet out of herern rnBaby get shaky after school oooh there you there you baby
