

ARTPOP

Lady Gaga

Come to me, in all your glamour, and cruelty
Just do the thing that you do
And I'll undress you Give it tight, sometimes the simplest move is right
The melody that you choose
Can rescue you? A hybrid can withstand these things
My heart can beat with bricks and strings
My artpop could mean anything [Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP Come to me, without your sub-techs and fantasy
Just do the thing that you do
For my love is you Love is fly, I've flown my beaches with lover's side
The color's palet you choose
Can profit you A hybrid can withstand these things
My heart can beat with bricks and strings
My artpop could mean anything Could try to sell you out or I
Could show you all the reasons why
my artpop could mean anything [Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP [Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP Brushes with darkness wont help you create
your destiny of self but Artpop could mean anything
Anything
I tried to sell myself, but I am really laughing
Because I just love the music not the bling
Music not the bling [Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP
[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)

We could, we could, belong together (artpop)
ARTPOP, ARTPOPFree my mind, ARTPOP
You make my heart stop
