

Love and Money

Bronski Beat

Work for money
Spend money
Spend for love
Love for money

Pain and love
Love and pain
Pain and lust
Lust for money

Love and money
Love and money

Exploit for money
Kill for love
Love for money
Exploited love

Love and money
Love and money

Burning me up
Ooh, it's burning me up
Burning me up
Ooh, it's burning me up

Work for money
Spend money
Spend for love
Love for money

Money is the root of all evil
Money is the root of all evil
Money is the root of all evil
Money is the root of all evil

Love and money
Love and money
