Chorus 1: [Give me like a few more minutes I will be straight, keep your friends close your enemies away, somebody told me just forget about it but fuck it we too on now woah I'm the one Noow ohh.] Ã—2

Verse 1: Give me like a few more minutes I will be straight, few more minutes and we are going to skate somebody get this weight up off me we don't really do this often I told my girl if she really loves me that she won't let the struggle haunt me you don't really want to try to stop me f*** the s*** you sit in now I want them to feel it now.

Chorus 2: [Give me like a few more minutes I will be straight, keep your friends close your enemies away, somebody told me just forget about it but fuck it we too on now woah I'm the one Noow ohh.] Ã—2

Verse 2: Only like a few more mins ill be straight, Jiggy threw this track my way I told him really n**** I got you they will know a lot about you I want to see my n***** fly Lord because lately I've been thinking 4 words (you don't really want) to try to stop me f*** this s*** you sit in now I want them to feel it now.

Chorus 3: [Give me like a few more minutes I will be straight, keep your friends close your enemies away, somebody told me just forget about it but fuck it we too on now woah I'm the one Noow ohh.] Ã—2

[Chorus relooped until end of song]
