# Savage (Single B-Side)

## W.A.S.P.

I'm a night rider burning the highways, no brakes I ride
Tasmanian Devil, a mean streak as wide as the sky
As wild as the night
Cause I'm a wild screaming eagle
I thunder and roll down the lineNo one can see that I got to be free
All that I need's just to ride in the breeze
I'm running today, I'm still bound to stay
Don't tread on me cause I'm living to be
S-s-s-s-s-savageI'm a fur stroking monster, I'll eat you alive
My heart is my smoking sportster, cross me and you'll not survive
My wheels are my lifeNo one can see that I got to be free
All that I need's just to ride in the breeze
I'm running today, I'm still bound to stay
Don't tread on me cause I'm living to be
S-s-s-s-s-savage
Don't dare touch me
Five hundred see-see-see-see-see-see-s
