

Music Of The Mind (Backing Track)

Jamiroquai

When it gets too bad,
And I never know which way to turn,
There's a friend I see, oh yeah,
Who believes in me. He is all I have,
Oh put your hand away
And bring it out
Another day. If I listen hard, if I listen hard now,
I can hear him say
I know somewhere we can go,
So much better. Oh the music in my mind,
Oh now the music in my mind,
I know somewhere we can go,
So much better. Oh the music in my mind!
The music in my mind yeah. I can take you there
I can take you there
Oh now
I wanna say that I can take you there
