Apple Pie A La Mode

Destiny's Child

Beyonce, what?
Michelle, what?
Look, where?
Hold up, don't turn your head
Just slowly turn your head
Oh yes
Oh yes
Alright
He's fine
Girl, he's definitely fine
Haa haa haa
That's right
He's definitely fine
He walks in the club with love in his eyes
As he steps flock flockin' females by his side
Lookin' scrumptious, even though he ain't tryin'
Finest thing that you ever did see
Sexy creation had his hat tilted to the side
Starin' at me, had my nostrils open wide
Can't even vocalize what I visualize, had my body paralyzed
As he smiled at me, I said
"Hey boy, would you enjoy sittin' next to me in your corduroys?"
I'm from Texas, my girl is from Illinois
Where you from? Can I come visit you sometimes?
My oh my, you seem like husband material, that and a cheerio
Are you married 'cause you're very very extraordinary, kinda scary?
I want your name added to my vocabulary
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Tell me your dreams and aspirations
What's your future plans? What's your motivations?
Boy, I'm lovin', how you're so unpredictable!
But I'm feelin' you, guess I gotta get with you
Admirin', your Marc Jacob gear
Hit as I step say a prayer
You available so sensual
Lullaby love heart breakable so special, baby makable

Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
It's all in the way you look at me, apple pie a la mode
I'm sure I'll me enjoy your company, apple pie a la mode
You turning me on with your modesty, apple pie a la mode
You have such a beautiful personality, apple pie a la mode, hey
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
Lullaby love, where have you been all of my life?
Your chocolate covered strawberry, apple pie a la mode
