

Julia (Feat. Sarah Slean)

Our Lady Peace

Can you see her standing there
And well she's trying to find just anywhere
The flowers in her hands but she doesn't know why, why And offered is advice to you and all you do was fake
it Mother, and she's only yours tonight, mother,
Oh she never cries, mother,
But I know there's hurt inside, mother, Julia Drowning in her own visions,
She's begging the past to stay behind
A black cat in the night,
And there's a black cat in that sky, sky But offered is advice to you, you left but I don't blame you Yeah Mother,
and she's only yours tonight, mother,
Oh she never cries, mother,
But I know there's hurt inside, mother, Julia We're digging, we're digging up the past
To cross it, cross it, to cross that line
To bury, to bury, to bury it,
One last time And offered is advice to you but all you do is fake it
I know that pain inside the truth but you just got to shake it Mother, and she's only yours tonight, mother,
Oh she never cries, mother,
But I know there's hurt inside, mother, Julia Mother, and she's only yours tonight, mother,
Oh she never cries, mother,
But I know there's pain inside, mother, Julia, sweet, sweet Julia Sweet, sweet Julia
