Unbreakable Heart

Three Days Grace

Hijacked when you weren't looking
Behind your back, people are talking
Using words that cut you down to sizeYou wanna fight back, it's building inside you
Holding you up, taking you hostage
Yeah, It's worth fighting forThey'll try to take your pride, try to take your soul
They'll try to take all the control,
They'll look you in the eyes, fill you full of lies
Believe me, they're gonna trySo when you're feeling crazy and things fall apart
Listen to your head, remember who you are
You're the one, you're the unbreakableHeart, you're the one
you're the unbreakable heart
You're the one, you're the oneHijacked when you weren't looking
Behind your back, people are talking
Using words that cut you down to sizeYou wanna fight back, you're out in the open
You're under attack, but your spirit's not broken
You know it's worth fighting forThey'll try to take your pride, try to take your soul
They'll try to take all the control,
They'll look you in the eyes, fill you full of lies
Believe me, they're gonna trySo when you feeling crazy and things fall apart
Listen to your head, remember who you are
You're the one, you're the unbreakableHeart, you're the one
you're the unbreakable heart
You're the one, you're the oneDon't look them in the eyes
believe me they're gonna try
To fill you up with liesThey'll try to take your pride, try to take your soul
You're the one, you're the one
Look you in the eyes, fill you full of lies
You're the one, you're the one
You're the unbreakable heartYou're the one, you're the one
You're the unbreakable heart
You're the one, you're the one
