Dance With Me

Omega Lithium

You went to this realm
And now we are one
There's no turning back
You cross the line
And now you are mineDance with me, Dance with me
Drink the fire, Push it higher
Dance with me, Dance with me
Drink the fire, Push it higherYour quest for answers
Has reached it's end
We only tear
You don't care
To pretendDance with me, Dance with me
Burn the dire, Breath the fire
Dance with me, Dance with me
Burn the dire, Breath the fireDance with me, Dance with meJoin me,
Taste the color, Spill your life for me
Take me in your hand
In your hand (Dance with me)Dance with me, Dance with me
Drink the fire, Push it higher
Dance with me, Dance with me
Drink the fire, Push it higherDance with me, Dance with me
Burn the dire, Breath the fire
Dance with me, Dance with me
Burn the dire, Breath the fireDance with me, Dance with me
Dance with me, Dance with me
