BROODS

I'd lose everything so I can sing
Hallelujah, I'm free
(I'm free, I'm free)I have lived my life so perfectly
Kept to all my lines so carefully
I'd lose everything so I can sing
Hallelujah, I'm free
I'm free, I'm free
I'm free, I'm free, I'm free
Hallelujah, I'm freeGritting your teeth, you hold onto me
It's never enough, I'm never complete
Tell me to prove, expect me to lose
I push it away, I'm trying to move
Hoping for more, and wishing for less
When I didn't care was when I did best
I'm desperate to run, I'm desperate to leave
If I lose it all, at least I'll be freeAll I want is your attention please
Don't want your opinion or your fee
'Cause the freest I have ever been
I had nothing to show or be seen
I'm free, I'm free
I'm free, I'm freeGritting your teeth, you hold onto me
It's never enough, I'm never complete
Tell me to prove, expect me to lose
I push it away, I'm trying to move
Hoping for more, and wishing for less
I didn't care was when I did best
I'm desperate to run, I'm desperate to leave
If I lose it all, at least I'll be free
Gritting your teeth, you hold onto me
It's never enough, I'm never complete
Tell me to prove, expect me to lose
I push it away, I'm trying to move
Hoping for more, and wishing for less
I didn't care was when I did best
I'm desperate to run, I'm desperate to leave
If I lose it all, at least I'll be freeIt's clear you think that I'm inferior
Whatever helps you sleep at night
Whatever helps you keep it tightIt's clear you think that I'm inferior
Whatever helps you sleep at night

Whatever helps you keep it tightGritting your teeth, you hold onto me
It's never enough, I'm never complete
Tell me to prove, expect me to lose
I push it away, I'm trying to move
Hoping for more, and wishing for less
When I didn't care was when I did best
I'm desperate to run, I'm desperate to leave
If I lose it all, at least I'll be free
Gritting your teeth, you hold onto me
It's never enough, I'm never complete
Tell me to prove, expect me to lose
I push it away, I'm trying to move
Hoping for more, and wishing for less
I didn't care was when I did best
I'm desperate to run, I'm desperate to leave
If I lose it all, at least I'll be freeHallelujah, I'm free
