

# It Takes Two (Acoustic)

Katy Perry

Is Mercury in retrograde or is that the excuse that I've always made  
'Cause I wanna blame you  
But I can only blame myself Yeah, it's easy to throw you under the bus  
I'll call you crazy, while I'm filling my cup  
I say these things to hurt you  
But I only hurt myself Oh, I can only take responsibility for me  
It takes two, two sides to every story  
Not just you  
I can't keep ignoring  
I admit half of it, I'm not that innocent, oh yeah It takes two, two sides to every story  
Not just me  
You can't keep ignoring  
But let me be first baby to say I'm sorry (I'm sorry) I face my demons, yeah, I paid my dues  
I had to grow up, I wish you could too  
I wanted to save you, but I can only save myself Oh, I can only be the change you want to see  
Yeah, to see It takes two, two sides to every story  
Not just you  
I can't keep ignoring  
I admit half of it, I'm not that innocent, oh yeah It takes two, two sides to every story  
Not just me  
You can't keep ignoring  
But let me be first baby to say I'm sorry (I'm sorry) I point my finger but it does me no good  
I look in the mirror and it tells me the truth, yeah  
Why all these lessons always learned the hard way  
Is it too late to change It takes two, two sides to every story  
Not just you  
I can't keep ignoring  
I admit half of it, I'm not that innocent, oh It takes two, two sides to every story  
Not just me  
You can't keep ignoring  
But let me be first baby to say I'm sorry (I'm sorry)
