Save the Date

Mike Krol

All night
I just can't concentrate, oh no, oh no
When I got a letter on my mind
I didn't need to knowWhy did you send me a save the date
If you don't want me to go in the first place
And now I'm wondering what you'll look like
On your wedding day(did that sound better?)
Why did you send me a save the date
If you don't want me to go in the first place
And now I'm wondering what you'll look like
On your wedding day
