Slipknot

Give me the dust of my father
Stand on the face of the ancients
Bare the secret flesh of time itself Follow me (follow me)
I've come so far behind again
Follow me (follow me)
Wish so hard I'm there again
Follow me (follow me)
Follow me (follow me) All that I wanted the dreams I had before
All that I needed I've never needed more
All of my questions are answers to my sins
All of my endings waiting to begin I know the way that I falter
Can't be afraid of my patience
There's a sacred place where Razel keeps safe Follow me (follow me)
I've seen so much I'm behind again
Follow me (follow me)
I feel so bad I'm in love again
Follow me (follow me) All that I wanted the dreams I had before
All that I needed I've never needed more
All of my questions are answers to my sins
All of my endings waiting to begin
