

# Love and Affection

## Joan Armatrading

I am not in love  
But I'm open to persuasion  
East or west, where's the best  
For romancingWith a friend, I can smile  
But with a lover  
I could hold my head back  
I could really laugh, really laughThank you  
You took me dancing 'cross the floor  
Cheek to cheek  
But with a lover I could really move, really moveI could really dance, really dance  
Really dance, really dance  
I could really move, really move  
Really move, really moveNow if I can feel the sun  
In my eyes  
And the rain on my face  
Why can't I feel love?I can really love, really love  
Really love, really love, really love  
Love, love, love, love  
Love, love, love, loveNow I got all the friends that I want  
I may need more  
But I shall just stick to those that I have gotWith friends I still feel so insecure  
Little darling, I believe you could help me a lot  
Just take my hand and lead me where you will  
No conversation, no wave goodnightJust make love with affection  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it, sing it, sing it  
You know that's what I likeOnce more with the feeling  
Give me love, give me love  
Give me love, loveMake love with affection  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it, sing it, sing it  
You know that's what I likeOnce more with the feeling  
Sing me another love song  
But this time with a little dedication  
Sing it, sing it, sing it, sing it  
You know that's what I likeWith affection  
With a little dedication

Once more with the feeling  
You know that's what I like
