

# Metal Militia

## Exmortem

Thunder and lightning, the Gods take revenge  
Senseless destruction  
Victims of fury are cowardly now  
Running for safetyStabbing the harlot to pay for her sins  
Leaving the virgin  
Suicide running, as if it were free  
Ripping and tearingOn through the mist and the madness  
We are trying to get the message to youMetal Militia  
Metal Militia  
Metal MilitiaChained and shadowed to be left behind  
Nine and one thousand  
Metal militia for your sacrifice  
Iron clad soldiersJoin or be conquered, the law of the land  
What will befall you  
The metalization of your inner soul  
Twisting and turningOn through the mist and the madness  
We are trying to get the message to youMetal Militia  
Metal MilitiaWe are as one, as we all are the same  
Fighting for one cause  
Leather and metal, are our uniforms  
Protecting what we areJoining together to take on the world  
With our heavy metal  
Spreading the message to everyone here  
Come let yourself goOn through the mist and the madness  
We are trying to get the message to youMetal Militia  
Metal Militia
