It's Quiet

Revenge

It was just a long forgotten feeling.
Something like an emptiness inside.
And there were times it almost sent me...
Like the time I almost thought you died.There are things I've never seen,
I hope I'll soon recover.
All the pain and joy in life,
I'd like to try another.
And when I try and you'll decide,
I'll ask the gods if I've got time.
Like the boy who's lost and found,
I love a man who stands his ground.It was just a long forgotten feeling.
Something like and emptiness inside.
And there were times it almost sent me...
Like the time I almost thought you died.There are things that I have seen.
I've looked above to live my dreams.
A sudden lack of energy,
when all the angels came for me.
