

The Prophets Song

Queen

Oh oh people of the earth
Listen to the warning
The Seer he said
Beware the storm that gathers here
Listen to the wise man I dreamed I saw on a moonlit stair
Spreading his hands on the multitude there
A man who cried for a love gone stale
And ice cold hearts of charity bare
I watched as fear took the old men's gaze
Hopes of the young in troubled graves
I see no day, I heard him say
So grey is the face of every mortal Oh oh people of the earth
Listen to the warning
The prophet he said
For soon the cold of night will fall
Summoned by your own hand Oh oh children of the land
Quicken to the new life
Take my hand
Oh, fly and find the new green bough
Return like the white dove He told of death as a bone white haze
Taking the lost and the unloved babe
Late, too late, all the wretches run
These kings of beasts now counting their days
From mother's love is the son estranged
Married his own his precious gain
The earth will shake in two will break
And death all around will be your dow'ry Oh oh people of the earth
Listen to the warning, the seer, he said
For those who hear and mark my words
Listen to the good plan Oh oh oh oh and two by two my human zoo
They'll be
Running for to come
Running for to come
Out of the rain Oh, flee for your life
Who heed me not, let all your treasure make you
Oh, fear for your life
Deceive you not the fires of hell will take you
Should death await you Oh, oh, people can you hear me (oh, oh, people can you hear me)
(Oh, oh, people can you hear me) And now I know (now I know) (now I know)

And now I know (now I know) (now I know)

And peace all around may be your fortune Oh oh children of the land

Love is still the answer, take my hand

The vision fades, a voice I hear

Listen to the madman Oh, but still I fear and still I dare not

Laugh at the madman
