

Happy Go Sucky Fucky

Die Antwoord

We live the life we love
We love the life we live
We live the life we love
We love the life we live
We live the life we love
We love the life we live
Don't need no one fuckin' up my shit Okay bitch get the fuck off me
I'll bring you the fuck out
Cos I choose to be free
Fuck your rules who are you to tell me
What I can and can't do?
Fuck you bitch you just wanna be me I party properly
Nobody fuck with me
Wear what the fuck I like in the streets
Rock my chommiez like a g
You're not the boss of me
Rock em like no apology
Neil says that I'm a anomale I get money for free
That shit just comes to me
You can get lost in, trespassing gaining
In my mystic company
I spit heavy shit, don't need no bitch tell me shit
If a bitch try n fuck with me
That bitch better be fit We live the life we love
We love the life we live
I do what I wanna do sweetheart
That's my prerogative
We live the life we love
We love the life we live
Don't need no one fuckin up my shit Okay bitch get the fuck off me
I'll bring you the fuck out
Cos I choose to be free
Fuck your rules who are you to tell me
What I can and can't do?
Fuck you bitch you just wanna be me Fuck your rules fuck fuck your rules
Fuck your rules fuck fuck your rules Our zef rights get sued
Some poofies in the hood
La di dah di, yo we party
Till the cops go woo

People think I'm interesting
Cuz I have fun n do my own thing
I'm small, now smile for da cameraSome people think I'm insane
Or they think I'm in pain
This is my resting bitch face
Nothin but okay
We third world nigga
We try our best we don't give a
I'm african and I'm proud
Now lets all get downLets all get down
Lets all get down
Lets all get
Lets all get
Lets all get down
Lets all get down
Lets all get down
Lets all get
Lets all get
Lets all get downWe live the life we love
We love the life we live
We live the life we love
We love the life we live
We live the life we love
We love the life we liveI do what I wanna do sweetheart
That's my prerogative
Love is strange
Love is dark
Love sucks when you got
A broken heart
Love is weird
Love ain't smart
Love can fix a broken heart
Make it glow in the darkTechno heartbeat
Techno heartbeat
Tek-tek-tek-tek
Techno heartbeat
Techno heartbeat
Techno heartbeat
Tek-tek-tek-tek
Techno heartbeatI party properly
Nobody fuck with me
Wear what the fuck I like in the streets
Rock my chommiez like a g
You're not the boss of me
Rock em like no apology

Neil says that I'm a anomaleOkay bitch get the fuck off me
I'll bring you the fuck out
Cos I choose to be free
Fuck your rules who are you to tell me
What I can and can't do?
Fuck you bitch you just wanna be me
We third world nigga
Get the fuck off me
I'll freak you the fuck out
Cuz I choose to be free
Fuck your rules who are you to tell me
What I can and can't do?
Fuck you bitch you just wanna be meFuck your rules fuck fuck your rules
Fuck your rules fuck fuck your rules
Fuck your rules who are you to tell me
What I can and can't do?
Fuck you bitch you just wanna be me
