

# Jezebel

## Two Hours Traffic

(Ahhhhhhhh, Ahhhhhhhhh, Ahhhhhhhhh, Ahhhhhhhhh,  
Whooooooooo, Whooooooooo, Whooooooooo, Whooooooooo)Jezebel,  
There's a ringing in my ear from when I called you,  
Got this tiny little fear that I won't see you,  
When that sun goes down again.Jezebel,  
I've got honey on my hands from when I held you,  
Got this tiny rubber band to wrap around your finger,  
When that sun goes down again,  
Whooooaaa,  
When that sun goes down again.  
Now the moon is on my side,  
But that's not what I need,  
I'm laughing through the night,  
But that don't mean so much to me,  
This girl is out of sight,  
As anyone can see,  
As anyone can see,  
Alright.Jezebel, (Jezebel)  
There's a ringing in my ear,  
Oh, Jezebel, (Jezebel)  
There it goes again my dear,  
I've got to see you, (Jezebel)  
when that sun goes down again,  
Whooooaaa,  
When that sun goes down again.  
(Oooooohhh, Oooohhhh, Oooooohhh, Oooooohhhh,  
Oooooohhhh, Oooooohhh, Oooooohhh)Now the moon is on my side,  
But that's not what I need,  
I'm laughing through the night,  
But that don't mean so much to me,  
Girl you're out of sight,  
As anyone can see,  
As anyone can see,  
Alright.Jezebel,  
I've got honey on my hands from when I held you,  
Got this tiny rubber band to wrap around your finger,  
When that sun goes down again, (Jezebel)  
There's a ringing in my ear,  
My Jezebel, (Jezebel)

There it goes again my dear,  
I've got to see you, (Jezebel)  
When that sun goes down again, (Jezebel)  
When that sun goes down again,  
Whoaaaa,  
When that sun goes down again.
