Make Daddy Proud

Ross David

How the time flies by, baby
Yesterday potty training
And here you are looking amazing
I'm crying in 3,2,1

Go on and make daddy proud
Ooooh Ooooh
You're livin' how
Ooooh Ooooh
Any father would
Ooooh Ooooh
Hope his baby could
Oh I
As I'm walking down
You make daddy proud

Tiny feet walking like daddy
Pick you up when you fell down on your knees
You and me we have been practicing
For this moment in 3,2,1...

Go on and make daddy proud
Ooooh Ooooh
You're livin' how
Ooooh Ooooh
Any father would
Ooooh Ooooh
Hope his baby could
Oh I
As I'm walking down

Things will change
But you and me will be the same
Even if I have to give you away
He better love you like I do

Go on and make daddy proud
Ooooh Ooooh
You're livin' how
Ooooh Ooooh

Any father would
Ooooh Ooooh
Hope his baby could
Oh I
As I'm walking down
You make daddy proud
As I'm walking down
You make daddy proud
