

Knife Song

The Irrepressibles

Oh, I have all my fingers, the knife goes chop chop chop.
If I miss the spaces in between, my fingers will come off.
And if I hit my fingers, the blood will soon come out.
But all the same I play this game, 'cause that's what it's all about.
Oh, CHOP CHOP CHOP CHOP CHOP CHOP CHOP!!!!!!
I'm picking up the speed,
and If I hit my fingers then my hand will start to bleed.
Aaaaahhh
