Whenever She Holds You

Patty Duke

Take your little heart
Tear it all apart
Make the teardrops fall
From your eyesAnd you'll know how I feel
When she holds you
Whenever she holds youPretend no one loves you
Make believe you're blue
And if you get an empty
Feeling deep inside
Then you'll know how I feel
When she holds you
Whenever she holds youMy friends say forget you
I know I should try
But whenever she holds you
I feel I could dieBut if you ever find
That I'm still on your mind
Maybe you'll come back to my arms
Til then, I'll cry
When she holds you
Whenever she holds youWhenever she holds you
