LetÂ´s Dance

Kamutao

Let's dance put on your red shoes and dance the blues
Let's dance to the song they're playing on the radioLet's sway while colour lights up your face
Let's sway sway through the crowd to an empty spaceIf you say run, I'll run with you
If you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall
Into my arms
And tremble like a flowerLet's dance for fear your grace should fall
Let's dance for fear tonight is allLet's sway you could look into my eyes
Let's sway under the moonlight, this serious moonlightIf you say run, I'll run with you
If you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall
Into my arms
And tremble like a flowerLet's dance put on your red shoes and dance the blues
Let's dance to the song they're playing on the radioLet's sway you could look into my eyes
Let's sway under the moonlight, this serious moonlight
