Brandon

Caribou

You bring those tears into my eyes so well
I've been waiting for this day so long
Brandon, I love you
You are the one, Brandon, my sonYou run around and chase the clouds
I only want you to be yourself
Forget me not, you're all I've got
As you can see
You are the one, Brandon, my sonYour mother gave birth to you with love inside
She had candlelight and songs of life
Brandon, I love you, I love her, she is your momTrue love is ours, nobody else
I only want you to be yourself
And when I'm gone, don't cry for meWe'll always be one
You are my son, you are the one
You are the one
