

I Donâ€™t Wanna Die

Hollywood Undead

[Chorus: Danny]

I don't wanna die,

I don't wanna die!

I don't wanna die,

So you're gonna have to!

I don't wanna die,

I don't wanna die!

No I don't wanna die,

So you're gonna have to!

Blood is getting hotter,

Body's getting colder!

I told you once,

I'm the only one who holds her!

I don't wanna die,

I don't wanna die!

I don't wanna die,

So you're gonna have to! [Verse 1: Charlie Scene]

I look inside of myself,

And try to find someone else.

Someone who's willing to die,

Just to watch you crying for help.

I know that blood will be spilled,

And if you won't, then I will.

My grave will never be filled,

It's either kill or be killed.

So let heaven be told,

That some may come, some may go.

Where I'll end up?

I don't know, but I ain't dying alone.

I keep on asking the question,

"Can I be saved by confession?"

You see this blood on my hands?

At least they're still reaching to heaven.

I gotta pick up the pieces,

I gotta bury 'em deep.

And when you look in my eyes,

I'll be the last thing you see. [Chorus: Danny]

I don't wanna die,

I don't wanna die!

I don't wanna die,
So you're gonna have to!
I don't wanna die,
I don't wanna die!
No I don't wanna die,
So you're gonna have to!
Blood is getting hotter,
Body's getting colder!
I told you once,
I'm the only one who holds her!
I don't wanna die,
I don't wanna die!
I don't wanna die,
So you're gonna have to! [Verse 2: Johnny 3 Tears]

Words turn into blood,
And the blood keeps on pouring.
From every pour I wipe it off,
'Cause this just could be the moment.
Now someone's gotta die,
And I'm my only opponent.
'Cause I won't watch my baby cry,
So I keep on just going.
Am I a man or a beast?
It's Mother Nature at least.
Watch humanity cease,
'Cause it's our human disease.
You gotta kill when you gotta kill,
Yeah that's what they say.
And I can't go against God's will,
You better pray.
'Cause I'm an angel, a demon,
Yeah I'm hell and I'm heaven.
I'm everything you couldn't be,
Now you believe in the devil.
I gotta pick up the pieces,
I gotta bury 'em deep.
And when the dirt hits the coffin,
Just go to sleep. [Chorus: Danny]
I don't wanna die,
I don't wanna die!
I don't wanna die,
So you're gonna have to!
I don't wanna die,
I don't wanna die!
No I don't wanna die,

So you're gonna have to!
Blood is getting hotter,
Body's getting colder!
I told you once,
I'm the only one who holds her!
I don't wanna die,
I don't wanna die!
I don't wanna die! [Brige: Danny & Johnny 3 Tears]
Now that I see,
I see you buried six feet below.
Another life goes into the night,
I couldn't let him breathe,
'Cause I didn't wanna die.
And now that I see,
I see you buried six feet below.
It's not alright.
Can you hear me as I cry?
I couldn't let you live
'Cause I didn't wanna die.
I don't wanna die,
I don't wanna die,
No, I don't wanna die! [Chorus: Danny]
I don't wanna die,
I don't wanna die!
I don't wanna die,
So you're gonna have to!
I don't wanna die,
I don't wanna die!
No I don't wanna die,
So you're gonna have to!
