Lost and Found

Daily Planet

I see You everywhere
Love through Your creationI watch it all play out
Creative presentationAnd it renews my mindI see a bird in flight
A baby and its motherI see a homeless man
A baby born to sufferAnd it renews my mindCHORUS
Mysterious ways I can't make out
But I can honestly say without a doubt
I'm lost and found in YouI see the paradox
With wheat, the tares included
You can't pull out the tares
The wheat will be uprooted
And it renews my mindREPEAT CHORUSI can't take a master shot
Of what the future's got
But know it's in Your hands
I know You're kind and true
All these things are true of You
And it renews, it renews my mindREPEAT CHORUSI see a crown of thorns
And hands with nails right through them
I see His outstretched arms
Beckoning all to Him
And it renews my mind
