

Don't Stop Now

Guided By Voices

Woke up one mornin'
Saw a rooster struttin' down my house
Six pack rings round his neck, cock of the block
Don't stop now, don't stop now What keeps big daddy happy
What makes the buzzards buzz
A leaky quart of motor oil head for the hills
Don't stop now, don't stop now Pulled into economy island
King shit and the golden boys
Plenty more where we came from top of the line
Don't stop now, don't stop now Don't stop now, don't stop now
Don't stop now, don't stop now
Don't stop now
