I've Got My Faults

Waylon Jennings

I'm just a man
No more or no less
Bad as the worst
Good as the bestIf you like what you see
It's a pretty good bet
What you see
Is just what you'll getAnd I've got my faults that I can't deny
Nobody knows that better than I do
Some not so good traits from my wilder days
I've got my faults but I do have my waysI do have my ways
That show off the best side of me
When you least expect it
You don't know how good I can beAnd I've got my faults that I can't deny
Nobody knows that better than I do
Some not so good traits from my wilder days
I've got my faults but I do have my ways
