## I've Got My Faults

## **Waylon Jennings**

I'm just a man No more or no less Bad as the worst Good as the bestIf you like what you see It's a pretty good bet What you see Is just what you'll getAnd I've got my faults that I can't deny Nobody knows that better than I do Some not so good traits from my wilder days I've got my faults but I do have my waysI do have my ways That show off the best side of me When you least expect it You don't know how good I can be And I've got my faults that I can't deny Nobody knows that better than I do Some not so good traits from my wilder days I've got my faults but I do have my ways
