Sad Songs

Sticky Fingers

Soon enough we'll know
How we're gonna show
Vagabond or not
'Cause we're gotta go
Have you had enough?
Have you lost control?
Can we make it up?
'Cause we gotta goWaiting for my friends to come
'Cause I'm done with singing sad songs
I been drinking 'till I fell on the floor
Whats the use complaining?
When your love is gone
'Cause I'm done with wondering what went wrong
I'm not playing any moreWhat's the use of wonder?
When your just a vagabond
I know your feelings put you under
But we gotta get it onWaiting for my friends to come
'Cause I'm done with singing sad songs
I been drinking 'till I fell on the floor
Whats the use complaining?
When your love is gone
'Cause I'm done with wondering what went wrong
I'm not playing any moreWhat's the use of wonder?
When your just a vagabond
I know your feelings put you under
But we gotta get it onWhat's the use of wonder?
When your just a vagabond
I know your feelings put you under
But we gotta get it onSoon enough we'll know
How we're gonna show
Vagabond or not
'Cause we're gotta go
Have you had enough?
Have you lost control?
Can we make it up?
'Cause we gotta go
