Bread

Laura Mvula

Hard to say which way we go from here
Is it written in the stars?
Do they even know where we are?
We loved a while, let go, seen nothing for miles
Now we're standing here alone
How will we ever get home?Lay the breadcrumb down
so we can find our way
Baby, lay the breadcrumb down
so we can find our wayLooking for a sign of truth
Where is it to be found?
There's nothing around here
Is it somewhere in another universe?
They're going to ask;
listen, you'll hear them say
Lay the breadcrumb down
so we can find our way
Baby, lay the breadcrumb down
so we can find our way
Lay the breadcrumb down, down
Baby, lay the breadcrumb down
so we can find our way
Lay the breadcrumb down, down
Baby, lay the breadcrumb down
so we can find our way
